### What does 'safeguarding' mean?

The term 'safeguarding children' describes a preventative approach to keeping children safe from suffering or being likely to suffer from significant harm. Safeguarding is the responsibility of all adults.

#### Safeguarding includes:

- Ensuring that children grow up in safe and effective care
- Taking action to ensure all children to have the best outcomes
- Preventing impairment of children's mental and physical health or development
- Protecting children from maltreatment

The categories of abuse are:

<b>Physical abuse</b>	For example: Hitting, shaking, throwing, poisoning, burning, suffocating. May include a parent/carer fabricating symptoms or inducing illnesses in a child.
<b>Emotional Abuse</b>	For example: Making a child feel worthless, unloved or not good enough. Not allowing a child to express their views, or 'making fun' of what they say. Inappropriate expectations or witnessing the poor-treatment of another. May involve serious bullying or causing children to feel frightened.
<b>Neglect</b>	For example: failing to provide adequate food, clothing and shelter; failing to protect a child from harm; failing to ensure enough supervision; or access to the right medical care. Not promoting good attendance at school could be deemed as neglect.
<b>Sexual abuse</b>	Involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. The activities may involve physical contact or include non-contact activities, such as children looking at, or being involved in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriately, or grooming a child. Sexual abuse can take place online and technology can be used for offline abuse.

If you see or hear something that doesn't feel right...

**What kind of things might make you feel unsafe?**

- Being hurt by an adult or another child
- Unkind or sexualised comments
- Bullying or feeling threatened
- Inappropriate online behaviours
- Being touched in a way that you don't like
- Not being looked after by people at home
- Seeing people you love being hurt

Worried about a friend? Friendship issues?

Has something happened to you or a friend involving an adult or another child?
