

“Getting the most out of Parents’ Evenings”

This quick guide is to ensure you get all the information you need from your daughter/son’s parents’ consultation evening.

Questions you may want to ask/information you may want to know:

- How can we help at home?
- What are the homework expectations of the course?
- Is their WAG (Working at Grade) in-line with expected progress at this stage of the course?
- Will my daughter/son achieve/exceed their target grade?
- Does he/she:
 - Contribute to class discussions
 - Work well in groups
 - Work independently when required
 - Turn up on time
 - Follow all instructions promptly
- What is the **ONE** thing they need to focus on to ensure improvement?
- When are the exams? How many exams are there? What are they like?
- Does the course involve Controlled Assessments/Coursework? When will this be completed? How much of the final grade is it worth?
- Does the course involve any trips? When are these and how much will they cost?

If you have any other queries on the night please do not hesitate to contact the Year Head or the Head of Key Stage.
