

Welcome

Our Year 7 Parents' Evening on Thursday was a wonderful celebration of the hard work our students have shown throughout the year. Parents were able to see impressive displays of learning, from thoughtful written work to vibrant artwork and ambitious project pieces, showcasing the enthusiasm that Year 7 brings to their studies. Families had the chance to explore these displays together, speak with teachers, and see first-hand the progress students have made as they've settled into secondary school. It was a fantastic evening that truly highlighted the dedication of our youngest learners.

With GCSEs just five weeks away, Year 11 students are invited to join our after-school masterclasses to boost confidence and strengthen subject knowledge - complete with free pizza for those who sign up! Students have been emailed an invitation from Ms Alexander and must complete the Google Form to secure their place. In the week commencing 23rd March, we're offering a Business Studies Masterclass on Tuesday 24th and a Computer Science Masterclass on Thursday 26th, both running straight after school. These sessions provide focused revision, expert guidance, and a supportive space to prepare for the upcoming exams. Let's make these final weeks count.

Our Year 8 boys were terrific in the Leicestershire Basketball Finals on Wednesday, putting in an outstanding team performance that led them to a well-deserved victory. Mr Brown, our Headteacher watched the game and was full of praise for their determination and the impressive sense of team ship they showed throughout the competition. It was a brilliant achievement and a proud moment for the whole school community.

As the holy month of Ramadan draws to a close, many of our students, families, and staff will be celebrating Eid al-Fitr. Eid is a joyful occasion that marks the end of fasting and brings communities together through prayer and time spent with loved ones. As Mr Khalid says in his newsletter piece, it is a universal message we can all draw upon and an opportunity for students to share their traditions, stories, and experiences with one another.

At Bosworth, we are proud of the rich diversity within our school community. Over the coming days, tutors will be taking time to acknowledge the celebration, and we encourage students to talk about what Eid means to them if they feel comfortable doing so.

To all who are celebrating, we wish you **Eid Mubarak**.

Kathleen Baxter - Co-Head of School

Dear Parents and Carers,

Following the latest guidance issued by the Department for Education, and as previously communicated in our letter on 4th March, we will be introducing a new policy meaning that mobile phones will be prohibited in school after Easter. Students have been informed of this change during assemblies this week. The new policy, and assembly from this week, are attached.

From 13th April, students will not be permitted to use or access their mobile phones during the school day. This includes lesson time, break and lunch times, and movement between lessons. Any mobile phones brought onto the school site must be switched off and kept securely in students' bags for the entire school day. This rule extends to smart watches, headphones, earbuds and air pods as they have similar functionality to mobile phones and are reliant on mobile phones being on.

This change has been introduced to:

- Meet the expectations set by the government
- Promote positive social interactions and reduce incidents related to online behaviour
- Support student wellbeing by limiting screen time throughout the school day
- Create a safer and more orderly learning environment

Sixth Form students will be able to use their phones in the Oaks area only. If a student is seen using their phone during the school day, the phone will be confiscated and stored safely until the end of the day in the first instance. Repeated breaches of the policy lead to an escalation as outlined below. Please discuss the importance of complying with this policy to avoid confiscations.

- **First breach:** confiscation until the end of the day and a warning letter home. Student can collect.
- **Second breach:** confiscation until parent collection. Parental meeting to be had with the relevant Head of Year.
- **Third breach:** confiscation until parent collection at the end of the school week. Escalation to parental meeting with SLT and behaviour contract;
- **Repeated confiscations** may also lead to a student having to hand in their phone each day to the relevant Key Stage office indefinitely.

We understand that some parents encourage their child to carry a phone for safety when travelling to and from school. Students will still be able to use their phones before arriving on site and after they leave at the end of the day. Your support is greatly appreciated as we implement this change. Working together, we can help ensure that school remains a place where every child can learn, feel safe, and thrive.

Eid Mubarak!

As our school community comes together to mark Eid Al Fitr, we send our warmest wishes to all students, staff, and families who are celebrating. Eid is a time of gratitude, compassion, and connection, values that resonate far beyond any single tradition.

In a diverse community like ours, celebrations such as Eid offer a meaningful reminder to be conscious of one another's experiences, beliefs, and Identities.

When we take the time to understand and honour what matters to others, we strengthen the bonds that make Bosworth Academy such a special place.

Eid also carries a universal message: that kindness, generosity, and unity are shared human values. No matter our backgrounds, we are connected by our capacity to care for one another and to build a community where everyone feels seen, respected, and included.

To all who are celebrating,
Eid Mubarak! May this time
bring peace, joy, and
togetherness.

Mr Khalid - Diversity Lead

Boys Active

We had six year 7 boys attend the Hinckley and Bosworth Boys Active event. They participated in some rugby, martial arts, skip to be fit and spin cycling sessions.

The day was lots of fun with us trying some new activities. Thanks to Gaz and Martin from HBSSPAN for organising.

Bosworth Academy Basketball

Bosworth Academy, back-to-back County Champions!

This is shaping up to be another remarkable year, as our students were again extremely competitive, reaching quarter finals and semifinals across multiple year groups.

This year our Yr 8 went all the way, going against tough, resilient opposition, Welland Park.

Team has arrived at Mattioli Arena, home of Leicester Riders basketball club well ahead of everyone, to allow time to focus, team talk a proper warm up.

Students have showed great maturity approaching this momentous occasion, laser sharp focus, with one goal in mind.

From the get-go, it was full throttle, pressing our opponent, forcing them into turnovers, which converted into an easy lay up for us.

Our margin gradually increased every period of the game. All students who have been selected to play, including the ones who weren't (due to sheer size of our squad) have contributed to this ultimate prize.

Aaron VK, David A, Henry S, Isaiah W-H, Jack F-C, Jovan H, Rocky G-L, Yvo-B, Zachary P, Zayn H, Sze H-C, Jasjeevan B, Elliot G, Gavin B, Harian N.

A massive shout out to Mr. Brown who was cheering us on from the sideline in the middle of his busy schedule! And finally, a huge thank you on behalf of entire basketball community here at Bosworth Academy to Mrs Hall and entire P.E. team for putting up with all the noise and constant bouncing of the balls! 😊

National league is under way now, which runs all the way through June, so more exciting news to come.

Igor Mirković

Holiday Clubs

Free holiday clubs and gym and swim memberships are being offered in Leicestershire again this Easter for eligible families from Monday 30th March.

Families with children aged four-to-16 receiving benefits-related free school meals can sign up now for the Government-funded places at more 80 venues across the county.

Organised locally by Leicestershire County Council with support from Active Together, the Holiday Activity Fund (HAF) programme 'Holidays Together' offers up to 4 sessions for each child over the Easter holidays.

From Easter-themed activities, sports, crafts and a healthy meal each day – there's something for everyone! Free junior gym and swim memberships are available for 11-to-16-year-olds at selected Leisure Centres.

Sessions take place across Leicestershire – check the full list at www.active-together.org/holidays-together www.leicestershire.gov.uk/haf

Martin Lynch, HBSSPAN Manager

EASTER HOLIDAYS TOGETHER

LET'S GET MOVING

30TH MARCH - 10TH APRIL

Free and fun programme for children & young people receiving benefits-related free school meals.

Masterclass Timetable

After-School Masterclasses for Year 11: Get Exam-Ready (and Grab Free Pizza!) Week Commencing 23rd March

With GCSE exams just five weeks away, it's the perfect moment for Year 11 students to sharpen their skills, boost their confidence, and get ahead.

To support you through this crucial stretch, we're launching a series of **after-school masterclass sessions** designed to strengthen your understanding of key subjects and give you that extra edge before exams begin.

These sessions are completely free to attend—and yes, there's **pizza** waiting for you when you arrive. All you need to do is check your inbox for an email invitation from **Ms Alexander** and complete the Google Form included.

Filling out the form is essential if you want to secure your slice.

Ms Alexander, Head of Interventions

Easter Revision Academy – Additional Maths Sessions Added!

We're pleased to announce an extra Maths revision opportunity as part of our Easter Revision Academy on Monday 30th March. This is a fantastic chance for students to strengthen their understanding ahead of the summer exams.

 **Session 1: Mastering Grade 5 Topics**
10:00–12:00 Perfect for students aiming to secure or boost a strong pass. This session will revisit key skills, build confidence, and tackle the most commonly tested Grade 5 content.

 **Session 2: Grade 7+ Topics (Higher Tier Only)**
12:30–14:30 Designed for Higher Tier students pushing for top grades. This session will focus on advanced problem-solving and higher-level concepts to stretch and challenge.

Sessions will go live on iPay on Monday 23rd at 7pm. Spaces are limited so early sign up is recommended.

Business Studies Masterclass Tuesday 24th March

Dive into exam techniques, tricky topics, and the skills you'll need to tackle those longer written responses with confidence.

Computer Science Masterclass Thursday 26th March

Perfect for revising algorithms, programming concepts, and the theory content that often catches students out.

Both sessions will run straight after school and are open to Year 11 students studying these courses - whether you're aiming for top grades or simply want to feel more prepared.

Don't Miss Out

Your invitation has already been sent, so check your inbox and complete the Google Form to confirm your place (and your pizza). These sessions are a great opportunity to revise in a focused, supportive environment—and your future self will thank you for showing up. Let's make these last five weeks count.

Date	Subject
29th January	Science (Physics)
23rd February	Maths
24th March	Business
26th March	Computer Science
15th April	French and Spanish Speaking Focus
16th April	PE
5th May	Science (Biology)
7th May	English Literature
12th May	History/ Geography
13th May	Maths
14th May	Science (Chemistry)
20th May	English Language
21st May	Science (Physics)

Year 11 Revision Planner

To get ahead of revising we have a handy [Revision Planner](#) that your child can use.

If your child needs support with revision please contact us and we will ensure that we meet them in tutor time to see what help is required.

[Back to Contents](#)

Maths Puzzle of the Week

When one circle and two lines are drawn, the maximum number of points of intersection is five.

What is the maximum number of points of intersection when 3 lines and 3 circles are drawn?

What comes next in these sequences?

1, 2, 4, 8, 16, 32 - **doubled each time**

4, 7, 12, 19, 28, 39 - **Square numbers add 3 - $n^2 + 3$**

7, 8, 5, 5, 3, 4, 4, 6 - **the number of letters in each month in order**

Revision Weekly Reminder

Free School Meals Support

Students who receive Free School Meals can be supported in a number of ways, which may include a contribution towards the cost of uniforms, equipment and trips.

If you believe that your children may qualify for this support based on your income, you can apply by following these links:

- [Leicester \(City\)](#)
- [Leicestershire \(County\)](#)

Pupil Premium: We now have a dedicated Pupil Premium email address that you can contact for any queries. If you wish to get in touch please email: pupilpremium@bosworthacademy.org.uk

Pantry: We also have a supply of food in our pantry. Please email pantry@bosworthacademy.org.uk if you would like further details.

If you have further queries about Free School Meals and the support we offer, please contact the school.

Proudly supported by MCKS Charitable Foundation UK

Bosworth Academy School Pantry

We have a great resource at Bosworth Academy to support families in our community. If you ever find your family struggling to get basic cupboard and hygiene products you can access them through our school pantry.

If you would like to arrange a time to collect some items, please do not hesitate to email the link at the bottom of the page.

Items that you may find in the school pantry:

Pasta	Tinned fruit and vegetables	Shampoo & Conditioner
Rice	Soup	Shower gel
Jarred sauces	Sugar, tea and coffee	Sweet treats
Cereals	Tooth brushes	Sanitary products
Crisps	Toothpaste

SEND Information Report

We are happy to share details about our SEND provision in Bosworth Academy's [SEND Information Report](#).

If you have any queries about the report please feel free to contact the SEND department.
Mrs Jones,

What Parents & Educators Need to Know about STREAMING SERVICES

WHAT ARE THE RISKS?

Streaming services are platforms that allow users to watch cartoons, documentaries and movies online immediately (often referred to as SVoD: streaming videos on demand). Ofcom reported that children and young adults prefer streaming services to traditional TV. With two-thirds of UK households subscribing to at least one streaming service, parents must understand how to manage screen time, set age restrictions and ensure safe viewing.

COSTLY

Subscription services can be costly. As the main source of entertainment, most households have at least one streaming platform, and each platform has its own monthly subscription fee. Services are charging more for ad-free viewing, and better quality and resolution; however, there is a cheaper option with adverts. Due to price increases, Netflix and Disney+ reported a sharp increase in users subscribing to their ad-supported tier in 2025.

ILLEGAL STREAMING

Sharing passwords or using modified Fire Sticks to access streaming content without permission is illegal. Most streaming services have now put measures in place to detect account sharing. When account sharing is identified, platforms will offer an opportunity to pay for an added member or will ask the user to verify who they are.

AGE-INAPPROPRIATE CONTENT

Most streaming platforms allow users to set up a profile for each family member, with the option of putting specific restrictions in place. These include adding a profile lock or PIN, controlling autoplay of previews and next episodes, and limiting content based on age ratings. Nonetheless, these restrictions aren't foolproof. Content which is rated as suitable for an age group may still include themes, language, or images which children and families find inappropriate.

EXCESSIVE SCREEN TIME

Excessive screen time contributes to sedentary behaviour and can negatively impact physical and mental health. Ofcom found that 4- to 15-year-olds averaged 2.5 hours per day across all video-sharing platforms, not including gaming. The vast range of content available, combined with features such as autoplay, makes it easy for children to watch for extended periods of time.

BINGE WATCHING

Features such as autoplay make it easy for viewers – especially young people – to continue watching episodes without a break. This can foster unhealthy and addictive patterns, such as consuming a vast amount of content in one sitting. With binge watching come a lack of social interaction, lack of physical exercise, and often late nights and sleep disruptions which impact their mental and physical wellbeing.

HARMFUL STEREOTYPES

Many platforms track viewing habits, time consumed, and preferences, and generate recommendations to encourage your child to keep watching. This results in your child being in a 'loop' whereby they think the 'recommended' shows would be something they would enjoy rather than thinking critically for themselves. This can shape their beliefs, values, and understanding of the world from a young age without even realising it.

Advice for Parents & Educators

SET UP INDIVIDUAL PROFILES AND ADD PINS

Almost all streaming services allow users to set up individual profiles where each family member can have age restrictions put in place for the content they can view. Adult profiles can be protected through the use of PIN. Keep this private. Use the options of putting specific restrictions in place such as controlling autoplay of previews and next episodes, and limiting content based on age ratings.

TALK ABOUT ALGORITHMS

Talk to your child about how streaming services track what they watch, and base adverts and recommended shows/movies on previous viewing. Encourage them to critically think about whether the recommendations are suitable and how they want to spend their time. Discuss stereotypes with your child and challenge them to think about what they watch and how this may influence their beliefs.

MONITOR AND TALK OFTEN

Discuss with your child what they are watching, find out which programmes are trending, and watch them yourself. Have a little look at their watch history to check the content of what they're watching. Some platforms have been known to recommend or autoplay older or graphic content after a child's movie has been played. While some tv shows or movies may have a suitable age rating, your child may still find the content scary, or it may explore themes you don't want to explore with your child yet.

SET TIME RESTRICTIONS

Many streaming services offer the opportunity to buy movies, or add additional features to your subscription such as sports channels, as well as play games. This can increase the amount of time young people spend sitting idly in front of the screen. Some platforms (e.g. Apple TV+) allow you to set screen time restrictions. If the streaming service doesn't allow you to set screen time limits, set a family rule and stick to it.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator, and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government, comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Book Recommendations

Key Stage Three

A hilarious adventure about a Mismatched group of animals attending school together, brought to life by brilliantly funny illustrations.

Zeke and Daniel have just been made hall monitors by Principal Wombat. This has nothing to do with the fact that they are monitor lizards.

And never mind the fact Alicia, the only other monitor lizard in the school, is also a hall monitor.

Somehow, the three hall monitors must impose order on arrogant lions, excitable seals and super-relaxed pandas. And worst of all, there is Pelicarnassus! A pompous giant pelican and the son of a major supervillain, who inexplicably has it out for the lizards. Can the hall monitor lizards and their new friend, a blind, fearsome red-tailed hawk, protect their school from all manner of outlandish threats?

Key Stage Four

At just nineteen, Stephen has already survived a year at the front. Now he is returning to the trenches to lead a platoon, despite his wounds. Broken-hearted from the loss of his first love, Stephen wonders what he's fighting for.

Then he meets Private Danny McCormick, a smart, talented young recruit. From their first meeting, there's something undeniable between them – something forbidden by both society and the army. Determined to protect Danny, Stephen must face down the prejudices and ignorance of his superiors as well as the onslaught of German shells and sniper fire.

As the summer of 1916 ticks down to one big push on the Somme, can Stephen and Danny stay together – and will their love save them – or condemn them?

Set in WW1 at the Battle of the Somme, this is a poignant & emotional read following the struggles & identity issues

suffered by the main characters. Perfect for those facing insecurities as they try to discover the power of acceptance & self-love.
