# In The Loop

Weekly Newsletter for Parents & Carers

## WELCOME

This week marks an important moment for many of our students, as the summer exam season officially begins. We want to wish every young person the very best of luck as they step into their assessments. Their hard work, resilience and determination have been clear to see, and we know they will approach each paper with Character, focus and pride. Exams are never just a test of knowledge. They are a chance to show growth, independence and the belief that you can be better than you thought you could be. We are incredibly proud of them.

This morning, all students in Years 7 to 11 took part in a powerful assembly delivered by Mr Grest on the importance of being an upstander, not a bystander. The session explored how every member of our community has a role to play in shaping the culture of our school. One of the central messages was integrity, described simply as doing the right thing when no one else is looking. This idea sits at the heart of our values and reminds us that true Citizenship is shown through everyday actions, not just big moments. Students were encouraged to think about how Collaboration, Communication and Critical Thinking help us build a better tomorrow together.

Across the school this week, we have also seen students demonstrating Creativity and ambition in many different ways. Year 11 have been engaging with their personalised revision timetables, making thoughtful decisions about how to use their time and preparing carefully for the challenges ahead. Our younger year groups have continued to show enthusiasm in lessons, kindness around the site and a willingness to support one another. These small, daily choices strengthen our community and reflect the values we hold dear.

Work Experience preparations continue for Year 10 and Year 12, and it has been encouraging to see students taking responsibility for contacting employers, updating Unifrog and showing real maturity in their planning. Opportunities like these help students understand the world beyond school and develop the confidence to communicate with adults in professional settings.

As we move further into the term, we remain committed to creating an environment where every student feels supported, challenged and inspired. Whether through academic success, personal growth or acts of kindness, we want every young person at Bosworth Academy to know that they can achieve more than they ever imagined.

We wish all our students the very best in the days and weeks ahead. Their effort, integrity and spirit continue to make us proud.

# Household Casting - Avalon Television Limited

May 2026

Dear Parent

**Reference:** The makers of Taskmaster are casting families for a fun new primetime Channel 4 show.

**Dates:** Filming half term October 2026.

I am writing to you from Avalon Television Limited, a multi-award-winning production company, producers of Taskmaster and Junior Taskmaster (**Channel 4**), Dogs Behaving Very Badly (**Channel 5**), Not Going Out (BBC One), The Chris & Rosie Ramsey Show (BBC Two), as well as many more. Please see our website here: <https://avalonuk.com/productions/>

We are looking for children and their families to take part in an exciting new entertainment show. The chosen households will take part together in an array of creative, fun and head-scratching games from the comfort of their own homes – in the hope of beating the other households to win a cash prize, as well as having a lot of fun as a family! The tasks will be set by Alex Horne of Taskmaster fame.

More information, T&Cs and the application form can be found at [www.avalontvcasting.com](http://www.avalontvcasting.com)

We would also like to reassure you that Avalon Television takes its duty of care when filming with children very seriously and there are robust safeguarding protocols in place. All crew, production team and on-screen talent in direct contact with the children will have an Enhanced DBS check done. In addition, the licensed chaperones' sole focus is to ensure that the children are monitored, happy, informed as to what is going on and they will make sure they have breaks and sustenance.

**Please note that a parent or legal guardian must get in touch.**

We cannot respond to emails or applications from children.

I look forward to hearing from you.

Yours faithfully

**Alexandra Lockyer**  
**Casting Producer**  
**Avalon Television Limited**

**THE MAKERS OF TASKMASTER ARE CASTING NOW FOR A NEW CHANNEL 4 SHOW!**

Does your household enjoy watching Taskmaster and would you love the chance to try the tasks?

What if you could compete together against other households from the comfort of your own home AND be in with a chance of winning a cash prize?

Avalon Television is looking for fun and quick-thinking families/housemates/couples to tackle a host of creative and head-scratching tasks set by Alex Horne of Taskmaster fame.

More information and application form link below

[www.avalontvcasting.com](http://www.avalontvcasting.com)

Terms and conditions apply.  
We only accept applications from a household member aged 18+  
Closing date 23:59 on Sunday 7 June 2026.  
Any information you provide as part of your application will be processed in line with our privacy policy: <https://avalonuk.com/privacy-policy-cast-crew-and-talent/>

## Personalised Timetables:

Starting on the week beginning 5th May **all Year 11 students** will receive their personalised revision timetables which will be available to view on their Arbour calendar – carefully designed to help them make the most of the final weeks before exams. Each timetable includes a blend of students' usual lessons alongside targeted revision sessions in subjects, ensuring every learner has the opportunity to strengthen **understanding and build confidence** ahead of the summer assessments.

These tailored schedules have been created to allow students to focus on topics that will make the biggest difference to their exam preparation. Students **MUST** look at their Arbour timetable to see what subjects they have and when. It will also give them the room they need to go to.

The final day for year 11 to attend is **Wednesday June 10th**. After this date students will need to come in for their personalised tt lesson/revision sessions and exams only. A reminder that the exam contingency day is **24th June** - this is put in place in case any exam papers are compromised nationally or in case of extreme circumstances such as extreme heatwave.

## Revision Weekly Reminder

**1 Identify Knowledge**  
Determine the knowledge or content you wish to cover.

**2 Review & Create**  
Spend around 5-10 mins reviewing content (notes/ text book/ knowledge organisers. Create 10x questions on the content (if your teacher has not provided you with any).

**3 Cover & Answer**  
Cover up your knowledge and answer the questions from memory. Take your time and answer in full sentences.

**4 Self Mark & Reflect**  
Go back to the content and self mark your answers in green pen.

**5 Next Time...**  
Revisit the areas where there were gaps in knowledge and include these same questions next time.

## Work Experience Week

Dear Parents and Carers,

Thank you for your continued support and hard work in helping your child secure a placement for Work Experience Week. **Year 10 students** will begin the **week commencing 11th May**, and Year 12 students will begin the **week commencing 8th June**.

We would also like to extend our sincere thanks to parents and members of the Desford community who have generously offered additional placement opportunities for students. Your support is greatly appreciated. As part of a wider Department for Education initiative, schools are working to provide **meaningful work experience opportunities** for students in Key Stage 4 and beyond. As this programme continues to develop, there are naturally some challenges, and we thank you for your patience and cooperation.

We would also like to recognise the efforts of our tutors, who since the beginning of January have been delivering weekly sessions during tutor time. These sessions have focused on guiding students in how to use **Unifrog**, search for placements, and contact employers effectively.

As we approach Work Experience Week, students should now be adding their placement details to Unifrog. This is essential so that the required documentation can be sent to both parents and employers.

- 
- Please note the following deadlines:
- Year 10: **30th March**
- Year 12: **30th April**

Thank you once again for your ongoing support.  
Kind regards,

**Mrs S. McCristal**

## Masterclass

GCSE Masterclasses Next Week: Boost Your Confidence, Sharpen Your Skills, and Enjoy Some Pizza. With GCSE exams just around the corner, the next few weeks are all about giving you that final boost. ## Sports Day

### SPORTS DAY 2026

- When: 29th June
- Where: Saffron Lane
- Who: **Y7, Y8 and Y9**

More information to follow!

We are taking all students to Saffron Lane for sports day. As a way of helping to subsidise the transport and hiring of the facility, we are asking parents to contribute **£5.50**. The payment can be made via iPay.

## Year 10 and Year 12 Trip to St Edmunds College, University of Oxford

On Tuesday a select group of **year 10s and year 12s** took a minibus down to Oxford for the day. We had been invited by St Edmund's Hall (affectionately known as 'Teddy Hall'), **University of Oxford**, to explore the grounds, meet some students and get an understanding of what Oxbridge is about. We had a packed day, including an introductory talk about university, the social aspects relating to university, the financial side of it, the academic structure and the collegiate nature of Oxbridge. We then had a taster tutorial, demonstrating the importance of student-led discussion: students were encouraged to talk through their thoughts about a set of stimuli, in our case, a graph that contained some data, mirroring the interview tasks and tutorial experiences at Oxbridge. We were given lunch in the great hall, followed by small group tours of the College. Leila, a second year student of German and Sandy, a second year Chemistry student, gave us a glimpse into student life, answering our questions and showing us key sights, like the front quad (in the picture), the bar, the chapel, and the graveyard! Unfortunately, we were unable to see the lecture halls or libraries because of preparation for exams. Our final activity in the afternoon was a deeper thinking exercise, developing debating skills, where students were asked to consider the question, "Could we live without laws?" Real food for thought! So, what did our students think about this trip? Here are some quotes from the students who came along:

"They were very welcoming",  
"It was educational and inspired me to look into university more",  
"We saw the contrast between secondary and university education and the opportunities we can follow",  
"It was a good place to express yourself without restrictions",  
"The data discussion task got you thinking",  
"Majestical!",  
"I liked the architecture",  
"It's a very aesthetic place, but it's not just about looks, it's about education",  
"It was less stuck up than I thought it would be",  
"It inspired me to look up future options in my education."

Fun facts: There are 400 Societies for students to join at the university of Oxford. There is a bread society and a toast society ... and they are fierce rivals! There are 83 university sports clubs, including 'octoplush' (underwater hockey)!

# May Half Term Revision Academy - Booking opens Wednesday 29th April

## May Half Term Revision Academy - Booking opens Wednesday 29th April at 7pm

We're excited to invite students to this year's May Half Term Revision Academy – a great chance to secure your subject knowledge in the midst of the exams.

As part of our commitment to supporting every student, we're offering a wide range of two-hour revision sessions from

**Tuesday 26th to Friday 29th May.** These sessions are designed to strengthen subject knowledge and enhance study habits for that final push.

Booking opens on **Wednesday 29th April at 7pm** through the iPay app, and places are first come, first served. **Each session costs £5**, which covers resources and exam booklets.

Bookings close Tuesday 19th May, and refunds are available **until Wednesday 20th May.** Students receiving Free School Meals will have refunds added to their iPay account after half term.

Students should check the timetable, note the sessions they've chosen, and arrange their own transport. They're welcome to come in **non-uniform and should bring lunch.**

More than 100 students joined us last year and found the experience genuinely helpful. It's a brilliant way to boost some last minute motivation..

## Swimming success

One of Year 8 students, Nico G, has had some real success at the Regional Swimming Championships over the previous two weekends. Swimmers have to qualify to race at the event and Nico managed to make the time for four events.

In the **800m freestyle** he finished 8th overall in his age group which is up to 14 year olds meaning Nico is one of the younger swimmers in his category.

He also qualified for all the finals of the Fly events and in the 100m he finished in **5th place and in both the 50m & 200m races he came 7th**. In the 50m he managed to break the Nuneaton & Bedworth Swim Club, **50m fly long course record for 13 year olds - 30.18**, which stood for the past 3 years. An amazing achievement.

His focus now turns to qualifying for the Welsh summer nationals where the top 16 swimmers in each category qualify. We wish Nico the very best of luck in this pursuit.

## Work Experience Week

Dear Parents and Carers,  
Thank you for your continued support and hard work in helping your child secure a placement for Work Experience Week. **Year 10 students** will begin the week commencing 11th May, and Year 12 students will begin the **week commencing 8th June**.

We would also like to extend our sincere thanks to parents and members of the Desford community who have generously offered additional placement opportunities for students. ## ADT

Our GCSE Art students start their 10-hour timed controlled assessments next week and GCSE Textiles with WB 27/4/26. These assessments are the culmination of months of work towards their Externally Set Assignments.

Students will be spending 2 days off timetable working under examination conditions to realise their ideas at the end of the project.

To support this in ADT, we offer in D5 **every break time** access to materials, equipment and support from staff where needed, as well as a **session after school every day**. Allowing students to maximise the time left and utilise our facilities and specialist equipment. Anyone is welcome to stay and work up until **5:30 pm any evening**. After they have taken these assessments, they will be using lesson time to complete all essential paperwork and authenticate their work, as well as use this time to revise for their upcoming examinations in all other areas.

We wish them the best of luck and continue to offer any support, guidance or help needed in this final week.

**Mrs Haywood & the ADT Team**

## Maths Puzzle Of The Week

Queenie and Quentin were in a queue. There were 24 people behind Queenie who was 17 places ahead of Quentin. Quentin had 29 people in front of him.

### How many people were in the queue?

$$26 \times 93 = 2418$$

$$62 \times 39 = 2418$$

To find other multiplications with the same property, it makes sense to look at the general form:

$$"ab \times cd" = (10a + b) \times (10c + d) = 100ac + 10(ad + bc) + bd$$

$$"ba \times dc" = (10b + a) \times (10d + c) = 100bd + 10(bc + ad) + ac$$

Hence to be equal,

$$100ac + bd = 100bd + ac \quad (\text{since the middle terms are equal})$$

Rearranging gives

$$99ac = 99bd$$

Hence

$$ac = bd$$

i.e. the product of the 10s column = the product of the units column

In the above case  $2 \times 9 = 3 \times 6$

Other examples include...

$$36 \times 42 = 63 \times 24 = 1512$$

$$32 \times 46 = 23 \times 64 = 1472$$

$$31 \times 26 = 13 \times 62 = 806$$

$$36 \times 21 = 63 \times 12 = 756$$

(There are at least 4 more solutions....)

# Wake-Up Wednesday - Age-Inappropriate Content

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com) for further guides, hints and tips for adults.

## What Parents & Carers Need to Know about AGE-INAPPROPRIATE CONTENT

"Inappropriate" means different things to different people. What's acceptable for one age group, for example, may be unsuitable for a slightly younger audience. Online, young people can chance upon inappropriate content in various ways – from pop-up ads to TikTok videos. The increasingly young age at which children become active in the digital world heightens the risk of them innocently running into something that they find upsetting or frightening. Trusted adults need to be able to help children be aware of what to do if they're exposed to age-inappropriate content.

### WHERE IS IT FOUND?

#### SOCIAL MEDIA

Age-inappropriate content is easily accessible through many social media platforms. TikTok, for instance, is hugely popular with young people but is arguably best known for clips featuring sexualised dancing or profanity. Some social media users also express hate speech or promote eating disorders and self-harm, which could cause lasting damage to a child's emotional and mental health.

#### GAMING

Gaming is an enjoyable source of entertainment, but many popular titles can expose children to inappropriate material such as violence, horror, gambling or sexually explicit content. Playing games unsuitable for their age risks normalising to children what they are seeing. Some games also include in-game chat, where other (usually older) online players often use language that you probably wouldn't want your child to hear or repeat.

#### STREAMING

The range of video streaming services available online means that users can find almost anything they want to watch on demand. Children are therefore at risk of viewing TV shows and movies which contain nudity, drug and alcohol abuse, explicit language and extreme violence. Unfortunately, these streaming platforms can't always determine that it's not an adult who's watching.

#### ADVERTS

Online adverts frequently include age-inappropriate content: usually gambling and nudity or partial nudity, although adverts for alcohol or e-cigarettes are also common. Some search engines also feature adverts that are responsive to your search history: so if you've recently looked up a new horror movie, shopped for lingerie or ordered alcohol online, then the ads appearing on screen could reflect this the next time your child borrows your device.

## 18 Advice for Parents & Carers

### TALK IT THROUGH

Embarrassment or fear of getting into trouble can make it difficult for children to talk openly about age-inappropriate content they've watched. Remind your child they can always come to you if they're troubled by something they've seen online, without worrying about consequences. Before offering advice, discuss what they saw, how they felt and how they came to find the content in question.

### CONNECT, DON'T CORRECT

If your child's been particularly distressed by exposure to content that wasn't suitable for their age, it's important to offer guidance to prevent them from repeating the same mistake – but it's equally vital to help them deal with the emotions that the situation has raised. You could tell them about any similar experiences you might have had at their age, and how you dealt with it.

### BLOCK, REPORT, CONTROL

After discussing the problem, you and your child can take action together. This could include blocking any inappropriate sites and reporting any content which violates a platform's rules. To further safeguard your child online, set up parental controls on internet-enabled devices that they use. This will significantly reduce the chances of your child being exposed to age-inappropriate content in future.

### GET SPECIALIST HELP

Age-inappropriate content can potentially have a negative impact on a child's mental health, which is sometimes displayed through changes in their behaviour. If the problem becomes more severe, you might consider reaching out to a mental health professional or an expert in this field who can provide you and your child with the proper support.

### STAY CALM

Even though it is obviously difficult to stay rational in a situation where your child has been put at risk, it's essential to think before you react. Your child may well have hesitated to open up to you about watching inappropriate content for fear of the consequences, so being calm and supportive will reinforce the notion that it would be easy to talk to you about similar issues in the future.
