Weekly Newsletter for Parents & Carers

Welcome

This week, a number of staff had the opportunity to attend the LiFE Multi Academy Trust Strategic Planning Day.

The day was full of inspiration, collaboration and forward-thinking discussions. It provided valuable time for colleagues from across the Trust to come together to share ideas and consider the bigger picture as we continue to develop and improve our schools.

Working collaboratively with colleagues from other LiFE schools enables us to learn from best practice and strengthen our shared vision for providing the very best education and opportunities for all our students. We look forward to bringing these ideas back into school as we continue our journey of improvement and excellence.

We would like to remind parents and carers that Year 11 students' final full day in school will be Wednesday 10th June. After this date, students should only attend school for their personalised timetable lessons, revision sessions and GCSE examinations. Students have been provided with individual timetables and should ensure they attend all scheduled sessions to support their exam preparation. As Year 11 and 13 approach the end of their examinations, we would like to thank them for their hard work, resilience and commitment throughout their time at school. We look forward to welcoming them back for Results Day in August (13th August for year 11 and 20th August for years 12 and 13), when they will collect their results and celebrate their achievements. Further details regarding Results Day arrangements will be shared nearer the time.

We have been making memories with year 8 this week as they visited the outdoor pursuits centre in Leicester. Here they took part in some exciting activities which enabled them to continue to build their bonds within their tutor group and to experience activities they may never have tried before. As well as being great fun, these activities helped students develop important life skills such as resilience, teamwork and determination. We were incredibly proud of the positive attitude shown by all of the students who represented the school exceptionally well throughout the visit. As we progress through the summer term it is important that students continue to attend school every day and arrive on time. Learning will continue across all year groups right up to the final day of term, with valuable lessons, assessments and enrichment activities still taking place.

Maintaining high attendance ensures that students do not miss important learning opportunities and helps them finish the year positively and successfully. We appreciate the support of parents and carers in helping us to maintain excellent attendance and ensuring that students make the most of every school day. **Kathleen Baxter, Co-Head of School**

We are looking for children and their families to take part in an exciting new entertainment show. The chosen households will take part together in an array of creative, fun and head-scratching games from the comfort of their own homes – in the hope of beating the other households to win a cash prize, as well as having a lot of fun as a family! The tasks will be set by Alex Horne of Taskmaster fame.

More information, T&Cs and the application form can be found at www.avalontvcasting.com We would also like to reassure you that Avalon Television takes its duty of care when filming with children very seriously and there are robust safeguarding protocols in place. All crew, production team and on-screen talent in direct contact with the children will have an Enhanced DBS check done. In addition, the licensed chaperones' sole focus is to ensure that the children are monitored, happy, informed as to what is going on and they will make sure they have breaks and sustenance. Please note that a parent or legal guardian must get in touch. We cannot respond to emails or applications from children.

Timetable Reminder

The final day for year 11 to attend is Wednesday June 10th. After this date students will need to come in for their personalised lesson/revision sessions and exams only. A reminder that the exam contingency day is **24th June** - this is put in place in case any exam papers are compromised nationally or in case of extreme circumstances such as extreme heatwave.

Sports Day

We are taking all students to Saffron Lane for sports day. As a way of helping to subsidise the transport and hiring of the facility, we are asking parents to contribute **£5.50**. The payment can be made via iPay.

Live Safe

As we have reached the end of the half term, we want to take this opportunity to share some important safeguarding information with you. Online Safety
With many children receiving new devices or spending more time online over the break, it's a great time to:

- Check Privacy Settings: Ensure new gadgets have age-appropriate restrictions enabled.
- The "Living Room" Rule: Encourage children to use devices in common areas rather than behind closed doors.
- Open Dialogue: Remind them they can always come to you if they see something that makes them feel uncomfortable.

Year 12 Work Experience

Year 12 Work Experience Week – An Exciting Journey Begins!

Next week, our Year 12 students will be stepping out of the classroom and into the world of work as they take part in their Work Experience Week!

This is a fantastic opportunity for students to explore different career paths, develop valuable workplace skills, and gain first-hand insight into a variety of industries. From businesses and healthcare settings to engineering firms, schools, and creative industries, our students will be representing the school across a wide range of workplaces.

We are incredibly proud of the enthusiasm, professionalism, and commitment they have shown in preparing for this experience. Work Experience Week is not only a chance to learn new skills but also an opportunity to build confidence, make connections, and discover future career possibilities.

We wish all of our Year 12 students the very best of luck and look forward to hearing about their experiences and achievements when they return. We are excited to see the knowledge, inspiration, and new ambitions they bring back with them!

Good luck, Year 12 – make the most of every opportunity and enjoy this exciting week ahead!

Cold Water Safety

As the weather becomes warmer, many young people are tempted to cool off in rivers, lakes, quarries, canals and other open water locations. Sadly, recent weeks have seen a number of tragic incidents across the UK involving young people who got into difficulty in open water.

To help raise awareness and keep our students safe, we will be delivering a dedicated PSHE session over the next two weeks focusing on water safety and the dangers of cold water. Students will learn about risks such as cold water shock, hidden hazards beneath the surface, strong currents, and what to do if someone gets into trouble in the water.

The sessions also coincide with Drowning Prevention Week, an annual campaign that aims to educate young people and families about staying safe around water.

We encourage all parents, carers and students to discuss water safety at home and to remember that even on hot days, open water can be much colder and more dangerous than it appears.

For further information and practical water safety advice, please visit:

Mrs Jones,

Uniform Amnesty

We are looking for any unwanted uniform items that your child may have outgrown or no longer requires.

This uniform will help to provide others in need and those that on occasions need to borrow an item.

We are looking for any of the following in good condition:

- Blazers
- Ties
- Skirts
- Trousers
- PE Kit

Please either ask your child to drop the item to MLT or you can drop it at our reception yourself before the end of term.

What Parents & Educators Need to Know about ADRENALINE DEVICES

Adrenaline is for the immediate treatment of anaphylaxis, which is a serious allergic reaction. If in doubt, use an adrenaline pen. Delaying treatment for anaphylaxis causes more harm than giving adrenaline when it's not needed. Adrenaline is a safe substance that is naturally produced in our bodies. Adrenaline devices are single use, and it's important always to carry two rather than just one.

WHEN TO USE

A/RWAY: Symptoms include swelling in the throat, tongue or upper airways; tightening of the throat; a hoarse voice; and difficulty swallowing.

BREATHING: Symptoms include persistent cough; sudden onset of wheezing; breathing difficulty; and noisy breathing.

CIRCULATION: Symptoms include pale and clammy skin; dizziness; feeling faint; sudden sleepiness; tiredness; confusion; and loss of consciousness.

How to use an EpiPen adrenaline auto-injector

1. Hold the AAI in your dominant hand and tuck your thumb out of the way.

2. Remove the blue safety cap and have the orange needle sheath pointing towards the patient's thigh.

3. Hold the AAI approximately 10cm away from their outer upper thigh.

4. Jab the EpiPen firmly into the outer thigh and press until it clicks.

5. Count to 3 and then release.

How to use an Jext adrenaline auto-injector

1. Hold the AAI in your dominant hand and tuck your thumb out of the way.

2. Remove the yellow safety cap and have the black needle sheath pointing towards the patient's thigh.

3. Place the black needle sheath on their outer upper thigh and press until it clicks.

4. Count to 10, then release and rub the injected area.

1,2,10

How to use EURNeffy nasal adrenaline

1. Hold the device with the first and middle fingers either side of the nozzle and the thumb on the plunger.

2. Insert the nozzle fully into one nostril until your fingers touch the outside of your nose.

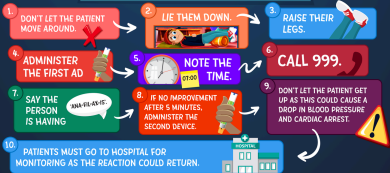

3. Press the plunger up firmly until it snaps and releases the medication.

4. DO NOT SNIFF. Try not to sniff after administering the spray.

ANAPHYLAXIS TREATMENT FLOW CHART:

Meet Our Expert

Anaphylaxis UK is the only UK-wide charity operating solely for the growing numbers of people at risk of serious allergic reactions and anaphylaxis. While there is no treatment or cure for anaphylaxis, we believe that by providing information, training and support, there's a brighter future for people living with serious allergies.
